With "Ambassador Style Touring," we design for each client a customized touring program based on one's personal interests. We develop a detailed daily itinerary for touring the areas of Italy specified by the client.

Once client-approved, A&B makes all the following arrangements: air transportation and airport transfers; hotel accommodations; ground transportation between cities; dining reservations and guided touring. Prior to departure, the client receives one itemized bill for all pre-paid, pre-arranged services.

Advantages:

- ▶ *Ambassador Style Touring assumes the work and takes the worry out of one's travel by handling every detail of a journey.*
- ▶ *Ambassador Style Touring clients can have access to A&B's Personal Concierge Service in Italy to assist with all of one's unexpected travel needs. For example: Clients can have A&B set-up a GSM phone for all calls in and out of Italy while touring.*
- ▶ *Ambassador Style Touring offers a customized, comprehensive itinerary for each day of one's vacation. This itinerary provides advice, tips and recommendations one simply cannot find in a commercial travel guide.*
- ▶ *The client opting for Ambassador Style Touring will pay one trip management fee (based on the number of travel days).*
